

MWF ACCEA FORM

Name..... Bronze Silver Gold Platinum (please ✓ one only)

Please state how you have contributed to the aims of the MWF in the boxes below. Your contribution must fit on one side of A4. If you provide more only the first sheet will be read. This form will be graded out of 10 in the same way that the domains on the ACCEA form are marked. Please ensure that everything you include is also featured in your completed ACCEA application form

Describe your contribution to the training and development of women medical students and doctors (junior doctors, GPs and consultants)

Have you been involved in specific health issues of women and families? Please state how your involvement has influenced maternal/child health

Please highlight your activity on behalf of the MWF including any roles you have undertaken on a local or national level with dates
